4. Continue the account registration process by clicking **Next**.

**Share and annotate**

Create shared folders, discuss articles, and jointly annotate PDFs. Collaboration made easy - even outside your home institution.
5. Click **Done** to finalize the account registration process.

**Write and cite**

If you use Word or Google Docs for writing papers, you'll love RefWorks. Install the add-on to insert and edit citations and RefWorks will keep your bibliography in sync.

6. When the process finishes, the new RefWorks account can then be used.
