RSQC² (Tom Angelo, *Classroom Assessment Techniques*)

Recall: *In one minute, write down what you remember from the session.*

Summarize: *Imagine you are providing a brief summary of this session for your colleagues. What would you say?*

Questions: *What questions do you still have? Write them down.*

Comments: *Share your impressions and comments with the person next to you. Are they the same or different?*

Connect: *As a result of this session, what will you change about your practice when you go back to work?*
